Estimated client,

Your details on the parameters contained in the table allow us to submit a detailed offer according to your special requirements.
 As far as possible, please give us the following data together with your inquiry.

Client/ Company:

Address:

Contact Person:

Phone:

Fax:

E-Mail:

Quantity (units):

Required period:

Nominal $\varnothing d_1$ (mm) :

Contact angle (°):

Rope $\varnothing d_s$ (mm) :

Axle load F_L stat/dyn (kN):

Rope load F_s stat/dyn (kN) :

or Axial load stat/dyn (kN):

Sloped angle (°):

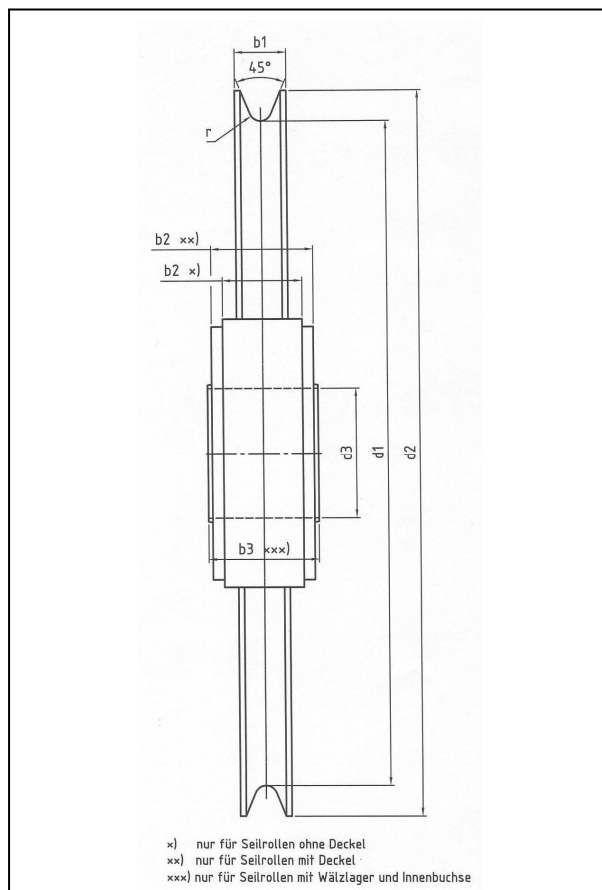

Required lifetime of the bearing (h):

Revolution n (1/min) :

Classification of the rope pulley :

According to:

Environmental conditions :

Outer $\varnothing d_2$ (mm) :

Axle $\varnothing d_3$ (mm) :

Bearing (type/ dimensions):

Width over pulley rim b_1 (mm) :

Hub breadth b_2 (mm) :

Width over lid b_2 (mm):

Width of Inner bushing b_3 (mm):

Other requirements:

\varnothing = diameter
